

Mawlana jalaluddin Mohammad Balkhi University

descriptions of Curriculum Duties Development Committee

Since improving the quality of the educational system requires the adoption of measures to improve the standard curriculum and regulations, effective and in accordance with the needs of the community.

Mawlana Jalaluddin Mohammad Balkhi University, due to the improvement in the quality of its curriculum, decided to adopt a curriculum review committee at the university level and, according to a specific plan, jointly with the heads and administrators of the relevant faculty departments, review the curriculum. To improve it qualitatively and quantitatively and to take practical steps to improve it. The committee is obliged to act in accordance with the previous procedure:

1. Examining the curriculum and the contents of the faculties from the point of view of their compatibility with the contents of the disciplines, which has been prepared by the Department of Cohesion and Academic Affairs.
2. Check the volume of chapters and course materials in accordance with the number of credits determined for each subject during the semester.
3. Eliminate or move school hours in accordance with the credit bill.
4. Existence of the curriculum of the relevant department in accordance with the credit bill, curriculum, approved teaching materials and teaching aids.
5. Examining the volume of lectures and teaching aids in accordance with the number of credits of the same subject in the semester.
6. Examining the content of lectures and teaching aids in accordance with the field specified in the curriculum.
7. How to apply the curriculum, the curriculum considering the number of credits determined in each semester?
8. Deleting or adding some themes, adaptations or laboratory works according to the needs of the day.
9. Submitting a report to the scientific deputy.
